

High Gloss

on Thermo Doors

Prémoulé presents the High Gloss
on Thermo Collection
with compatible HPL.

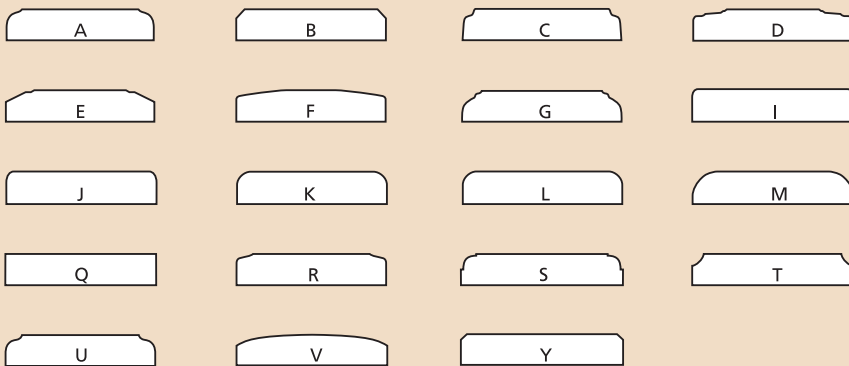

High Gloss on Thermo Doors

Premium quality Italian lacquer applied on thermoplastic doors and components. The high gloss coating acts as a protective shield for durability, adds brilliance to any décor and enhances the wood grain pattern.

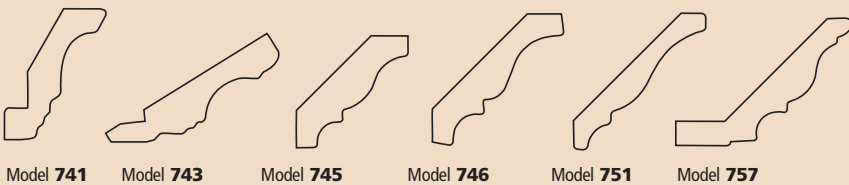

The High Gloss on Thermo Program proposes the following models:

SERIES **00**

Crown mouldings, Trim Mouldings and Valences complete the program.
