Laminate & HPL Doors

Thermoplastic Doors

5-Piece Doors

Distributed by

# Avanti

Avanti's collection comprises 5-piece polyester and melamine wrapped doors offered in a large selection of door models. More than 50 different popular melamine and 10 penciled glaze color finishes are available. Look at an Avanti brochure for our complete and sensational product offer.

# Evolution

Evolution is the maker of quality 5-piece polyester wrapped doors proposed in 5 different models and 14 matching melamine colors. Mullion frames, moldings and valances complete the range of Evolution Products. Check out an Evolution brochure to see our comprehensive product portfolio.

# Thermo

Prémoulé Custom Program has the most extensive made-to-order door selection, featuring more than 50 colors and compatible melamine or HPL color options. High gloss, penciled-glazed and wiped-glazed finishes are available for our large choice of models. Request your Premoule Thermo brochure today.
